HOUSE BILL NO. 1057

Introduced by: The Committee on Agriculture and Natural Resources at the request of the
Department of Game, Fish and Parks

1 FOR AN ACT ENTITLED, An Act to permit nonresidents having a nonresident preserve
2 license to hunt certain animals on a licensed shooting preserve.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That § 41-6-30 be amended to read as follows:

5 41-6-30. Except as provided in this section, it is a Class 2 misdemeanor for a nonresident
6 to hunt, take, or kill jackrabbits, prairie dogs, gophers, ground squirrels, chipmunks, coyotes,
7 red fox, grey fox, skunk, crow, porcupine, English house sparrow, European starling, unbanded
8 undomesticated pigeon (rock dove), or marmot, without a nonresident predator/varmint license
9 or in violation of the conditions of the license or the rules of the Game, Fish and Parks
10 Commission.

11 A nonresident predator/varmint license, notwithstanding the provisions of § 41-6-24, allows
12 a nonresident to take or kill jackrabbits, prairie dogs, gophers, ground squirrels, chipmunks,
13 coyotes, red fox, grey fox, skunk, English house sparrow, European starling, unbanded
14 undomesticated pigeon (rock dove), and within the lawful season, crow, porcupine, and marmot,
15 except by means of aerial hunting or as prohibited by statute or rule.

1 However, if a nonresident possesses a nonresident small game license, a nonresident
2 waterfowl license, a nonresident big game license, a nonresident shooting preserve license while
3 on a licensed shooting preserve, or a nonresident turkey license as provided in § 41-6-17,
4 41-6-18.1, 41-6-20, or 41-6-28, the nonresident need not acquire the nonresident
5 predator/varmint license as provided in this section to hunt the species enumerated by this
6 section in the manner and places permitted. A nonresident small game license, a nonresident
7 waterfowl license, a nonresident big game license, or a nonresident turkey license is valid for
8 hunting those animals permitted by the nonresident predator/varmint license from date of
9 purchase until the end of the license year as provided by rules promulgated by the Game, Fish
10 and Parks Commission pursuant to chapter 1-26. However, a nonresident shooting preserve
11 license is valid for hunting predators and varmints on a licensed shooting preserve during the
12 shooting preserve season.
